Books by Jodi Picoult

Jodi Picoult's stories take controversial newsworthy issues and examine them through the eyes of ordinary people. Through her intelligent presentation of both sides of an issue, Picoult allows readers to feel sympathetic towards characters on opposing sides of a conflict. Despite Picoult's straightforward, warm writing style, she nevertheless builds suspense quickly. Readers identify with and care about her characters while swiftly turning pages to a finale that delivers one last satisfying twist. Picoult has also ventured into teen fiction, teaming with daughter Samantha Van Leer on a fairy tale-based romance. Start with: *My Sister's Keeper* (Adult); *Between The Lines* (Teen). –Novelist
